## NEBRASKA'S CONVENTION.

### The Porto Rico Tariff and Imperialism Condemned.

The state Democratic convention of Nebraska adopted the following on the subject of expansion and imperialism: "We condemn the Porto Rico tariff bill recently passed by a Republican house of representatives as a bold and open violation of the nation's organic law and a flagrant breach of good faith."

"We assert that the constitution follows the flag, and denounce the doctrine that an executive or a congress, created and limited by the constitution, can exercise lawful authority beyond that constitution or in violation of it. Believing that a nation cannot endure half republic and half empire, we oppose wars of conquest and colonial possessions."

"The Filipinos can be citizens without endangering our civilization; they cannot be subjects without endangering our form of government, and as we are not willing to surrender our civilization or convert a republic into an empire, we favor an immediate declaration of the nation's purpose to give the Filipinos, first a stable form of government; second, independence, and, third, protection from outside interference, as it has for nearly a century given protection to the republics of Central and South America."

"We favor the expansion of trade by every legitimate and peaceful means, but we are opposed to purchasing trade at the cannon's mouth with human blood; neither do we believe that trade secured and held by force is worth the price that must be paid for it. We are in favor of extending the nation's influence, but we believe that the influence should be extended, not by force and violence, but through the persuasive power of a high and honorable example."

The foregoing is interesting because it is said that it represents the platform upon which Mr. Bryan will make the next national campaign.

## Florida Bankers Association.

The ninth annual convention of the Florida Bankers association was held in Orlando on Thursday of last week. The association embraces in its membership all the leading banks and bankers of the state. On account of the prevalence of lagrippe throughout the state the attendance was much smaller than was expected.

The convention was held in the San Juan hotel, presided over by Mr. E. P. Branch, of Melbourne. The address of welcome was made by Mayor Parramore, Hon. W. B. Owen, of Jacksonville, read a carefully prepared paper on "Banking as it Relates to Industrial Development."

In the afternoon Hon. C. A. Carson, of Kissimmee, addressed the convention in "The Relation of Banks to the People," after which followed a general discussion of banking topics. Mr. R. C. Cooley, of Jacksonville, read a very unique paper on "The Internal Revenue Law as it Relates to Banks, its Peculiarities and Injustice." Mr. Wm. Rawlinson read a fine paper on "Credits." Hon. L. C. Massey presented an exhaustive and able paper on "Effect of the Homestead Laws of Florida on Credits." Mr. John M. Cheney made an able address on "The Bankruptcy Law, its Desirability and Effort."

The papers and addresses were all well received.

Now is your opportunity. There is no time when the system is so much in need of a good medicine, like Hood's Sarsaparilla, and no time when it is so susceptible to the benefits to be derived from such a medicine. By purifying, enriching and vitalizing the blood and toning up the system Hood's Sarsaparilla starts you right for a whole year of health. Constipation is cured by Hood's Pills.

Hotel guest (as the fire alarm sounds): Does the fire department here have any difficulty in locating a fire? Pittsburg landlord: Not any more than in any other city, I suppose. But why do you ask? Hotel guest: Well, it's so smoky here I don't see how they ever find the fire.—Yonkers Statesman.

A. H. Thurness, Mgr. Willis Creek Coal Co., Buffalo, Ohio, writes: I have been afflicted with kidney and bladder trouble for years, passing gravel, or stones, accompanied by excruciating pains.
